

## RESUME

Judith Tacelli has run her freelance art direction and graphic design business, [Tsquare Creative](#), for over 15 years.

She started her career at Boston's Doyle Advertising, where she learned the discipline and dedication required to make great advertising. She's worked for Wickersham Hunt Schwanter and Holland Mark Martin, learning the specialized craft of direct mail and has subsequently worked for many of Boston's top creative directors.

As a veteran freelancer, she is known for quality, resourcefulness, efficiency and grace under pressure. Her work is featured in *The Power of Paper in Graphic Design* by Rockport Publishers.

She has also worked as a Studio Manager, training young designers and interns, establishing studio manual and best practice documents, managing software and fonts, workflow, schedules and supplies.
